Fellow Patriots:

Fishing for Freedom is an all volunteer organization that brings Wounded Warriors and volunteer boaters together for a weekend of outdoor recreation, fellowship, and camaraderie every October at Truman Lake, Mo. The weekend consists of family friendly fishing/outdoor seminars/activities, a banquet and pre-tournament dinner and culminates with a fishing tournament where we provide these American Heroes with a volunteer boater and fishing tackle. The Warriors' only expense is travel to and from Truman Lake; we provide lodging and meals during their stay. In total, over 500 Warriors and volunteers participate in this annual event .

Because of your generous support, Fishing for Freedom has successfully hosted ten events. We are in the process of planning the October 11th - 14th, 2019 event. On behalf of Fishing For Freedom LLC, I am asking you for your support of our event. This event is only possible because of thoughtful contributions from organizations like yours. The Fishing for Freedom staff and many veterans thank you for your consideration.

As you know, the cost of putting on these type events are significant but we are hopeful that our team of supporters will continue to grow and stand the test of time. We are thankful for any and all support you provide. Any gift received makes it possible for us to provide lodging, meals, and tackle packs to many of our participants.

I am always available to answer any questions you may have, feel free to contact me. I would also like to invite you to follow our progress and view pictures from previous years on our website at <http://fishingforfreedom.us> .
